STAFF LEAVE OF ABSENCE

Background

The Division believes that new job experiences offer the potential to provide educators with opportunities for professional growth. Employees of the Division may be granted a leave of absence or a secondment by the Superintendent based on the merits of each individual case presented for consideration. Further, the Division recognizes the right of employees to campaign for and hold political office at the municipal, provincial and federal levels of government and the Superintendent is authorized to grant leaves to employees for these purposes.

The Division believes that it may be desirable to grant leaves of absence to its employees.
