TEACHER GROWTH, SUPERVISION AND EVALUATION

Background

The Division recognizes that excellence in education for students is largely determined by qualified and committed staff.

To ensure that a quality Catholic education is afforded to students, our Division supports a growth, supervision and evaluation program of staff performance. This program is constructive, emphasizing continuous personal professional growth, ongoing instructional supervision and professional development of all staff.

The Division’s Teacher Growth, Supervision and Evaluation administrative procedure is designed to reinforce the need for career long professional growth on the part of teachers, and aims to ensure that each teacher’s professional actions, judgements and decisions are in the best educational interests of students and support the creation of ongoing opportunities for optimum learning.

The Division believes its primary role is to ensure that quality Catholic education is offered to all students in the Division. To that end, the Division supports a process which enables growth, supervision and evaluation of all certificated staff consistent with the Teaching Quality Standard.

Data collection procedures shall be conducted in accordance with the Code of Professional Conduct. The principal or Superintendent and the teacher shall meet through conferencing to discuss matters related to the evaluation.

4.24 When the principal or Superintendent has completed a reasonable number of observations, the principal or Superintendent shall determine if one or more aspects of the teacher’s teaching meets or does not meet the Teaching Quality Standard.

4.28 When, as a result of an evaluation conducted under procedure 4.19.1, 4.19.3 or 4.19.4, a principal or Superintendent determines that a teacher’s teaching does not meet the Teaching Quality Standard, the principal or Superintendent issues a notice of remediation to the teacher and the following steps shall be taken:

4.28.1 A program of assistance, consistent with the notice of remediation, is offered to the teacher, and the teacher is notified of his/her right to representation by the ATA;
4.28.2 After no more than 120 school days, a subsequent evaluation is undertaken by an evaluator other than the one who conducted the initial evaluation;

4.29 A recommendation to the Superintendent that a teacher be issued a permanent professional teaching certificate or offered employment under a continuing contract must be supported by the findings of two or more written formal evaluations of the teacher by the principal. For teachers hired as of the first school day of the school year the first evaluation should normally be completed by January 31; a second evaluation should normally be completed by May 1.

4.31.5 The re-evaluation shall conform with the procedures for evaluation and all aspects of the re-evaluation shall be subject to the rules of natural justice.

4.31.6 If the principal completed the initial evaluation, the decision of the Superintendent or designate is final. If the Superintendent completed the initial evaluation, there is no further appeal.

4.32 This administrative procedure does not restrict the Superintendent or principal:
