Be Respectful, Be Safe, Be Responsible

Classroom rules apply on the school buses. Good behavior and respect contribute to being safe, which is a condition of riding on our buses. To ride on the school buses, students are required to comply with the following rules:

1. Students are to demonstrate respect, consideration and cooperation to their driver as they demonstrate to their teachers & parents.
2. The bus driver is to be obeyed in a prompt and courteous manner for the safety of everyone.
3. Students will follow behavioral standards while riding the school bus, that reflect being respectful, safe & responsible.
4. Students may carry on conversations in quiet tones and noise is to be limited.
5. For safety reasons, students are to sit properly facing the front of the bus, and shall not stand or move about the bus while it is motion.
6. Students will not engage in harassment, bullying, violence, threatening, fighting, or discriminatory behaviors or non-respectful behaviours.
7. Students must follow rules relating to appropriate use and operations of electronic devices while on the bus.

Upon approval of the "Transportation Request", it is agreed that:

1. Students will comply with the above terms and act in a responsible manner.
2. Applicable fees will be paid promptly or arrangements made with the school for payments by September 30th. Non-payment will result in the students losing access to the bus transportation.

The transportation fees for the school year for conditional student riders (who do not qualify for government transportation funding) are determined by the Board of Trustees: These will be set by June 15th. Busing Fees can be found on the STAR Catholic website under AP 505 Student Fees Appendix A.

Is there additional information that the driver or transportation department needs to know to transport your child safely?
