

Responding to Symptoms in Children

Please be in communication with your school about all absences.

If your child was tested because they had any of the "core" (red circle) symptoms, they must isolate for a minimum of 10 days, regardless of whether their symptoms resolve while waiting for test results.

Your child may return to school before 10 days **only** if they have a negative test result, their symptoms are gone, and they are not a close contact of someone with COVID-19.

If your child was tested because they had any of the "other" (yellow circle) symptoms and they are symptom free, they may return to school while waiting for test results.
