5. You can see all assignments/quizzes to date for the class. If you want additional information on each assignment click on

the blue icon on the right hand side to see which standards/outcomes were chosen for K-6 or grade level assigned for 7-12

6. Example of detailed view for K-6 assignments

Grades 7-12 will have assignment scores in this section instead of listed standards and letter grades

7. Alternatively for K-6 parents, once you are on the Grades & Attendance page you can click on the Standard Grades Tab at the top of the page

8. This will open up your child's current classes and you can see each class your child is currently enrolled in.
